

## WHAT IS CADENCE INTERNATIONAL?

Cadence International is an evangelical mission agency dedicated to reaching the military communities of the United States and of the world with the good news of Jesus Christ. Founded in 1954, Cadence continues to minister out of its mission to *share the gospel and our lives with the military community*. More than 200 Cadence missionaries serve all branches of the U.S. military at more than 50 locations worldwide, supporting military personnel and their families.

## WHY MILITARY?

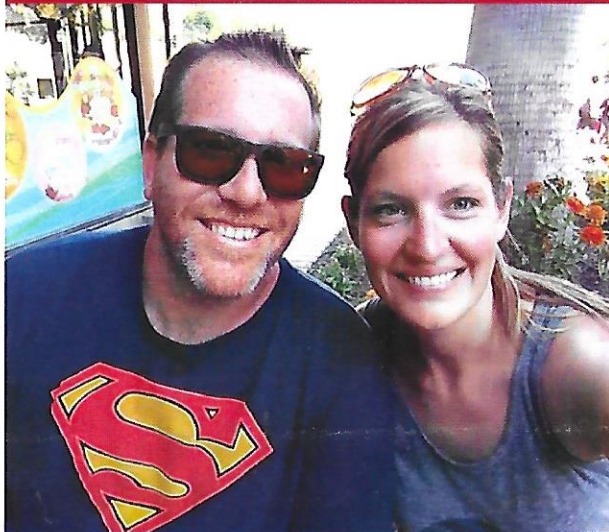

Members of the military face unique challenges—perhaps away from home for the first time, or isolated from their family on a deployment, and unsure what dangers tomorrow may bring. Their spouses and children often carry their own struggles and questions. Serving near military installations, Cadence offers a home away from home for some, and for others, a community of love like they have never known. By sharing the gospel and our lives, Cadence introduces military personnel and their families to Christ—sometimes for the very first time—and encourages them to be faithful disciples.

## WHAT DO WE DO?

- We share the gospel and our lives by opening our home to military men and women and their dependents. (1 Thess 2:8)
- We offer Bible studies and fellowship activities.
- We disciple and counsel.
- We work alongside military chaplains, teaching classes and leading seminars, as requested.
- We expose people to world missions.

*The vision of Cadence is to exalt Christ in the nations through the lives of transformed military people.*

## RJ & Sabrina

serving the Lord with Cadence; sharing the gospel and our lives with the military community.

### ABOUT RJ & SABRINA

After more than a decade of serving in the local church as a pastor, RJ, with his wife Sabrina and their three children, felt God leading them to find a new ministry. Upon searching and praying, they decided to join Cadence.

Cadence immediately seemed like an amazing fit for the entire Prestwich family! Sabrina's dad served in the Air Force for 35 years, which contributed to her developing a great love for the military. Additionally, RJ and Sabrina have found that some of their favorite ways to serve others is through hospitality and discipleship.

The Prestwich family will be serving the military community at Joint Base Lewis McChord (JBLM) in Washington. JBLM is comprised of more than 200,000 active, reserve, and civilian workers. Cadence has served JBLM for almost 40 years and the Prestwich family looks forward to continuing ministry there.

During their ministry, they plan to:

1. Establish a home-away-from-home hospitality house that reaches, encourages, and equips military personnel in their understanding of the gospel.
2. Support the local chaplains in ministry and life.
3. Send military personnel ready to live out the gospel in their homes, communities, work, and local church.
